

DETECT Learning, Teaching and Training Activity 1

18-20 November 2020 - Online

This Learning, Teaching and Training Activity is organised as part of the [DETECT project](#). It aims to raise educators' awareness and provide training in relation to critical digital literacies. The different activities will enable participants to develop an in-depth understanding of the different dimensions of critical digital literacies and their role in supporting teaching, learning and professional development. During the event, participants from Finland, Italy, Spain and the UK will work collaboratively online in transnational teams.

A detailed programme of the event is available [here](#). If you are interested to attend the first day please use this [link](#) to register. For any enquiries please contact the organisers a.gouseti@hull.ac.uk and d.mundy@hull.ac.uk
